Photos

Thursday 11th October

If your child is not in on
this day and you would like
their photo taken and/or
you would like their photo
taken with a sibling please
make an appointment to
bring them in.

Changes in the Nursery

You may have noticed a lot of changes
recently with a move away from col-
oured plastic resources and bright col-
ours to calmer
natural colours
and resources all
designed to cre-
ate a calmer
learning envi-
ronment. There
are many differ-
ent child theo-
ries and we have taken what we feel are
the best ideas from : In the moment
planning, Loose parts play, Communi-
cation friendly spaces, Reggio Emilia
and a sprinkle of Montessori . More
detailed information can be found on
our website.

In the moment planning

We have recently over-
hauled our planning proc-
ess in favour of this system
which brings you the par-
ents into our planning
structure by giving an in-
depth insight into what
your child's life is like at
the nursery . It ensures that
the setting is more child-
led, giving them free will
when it comes to making
choices: full details on our
website

A few reminders

Please:-

- Label everything that your child brings to Nursery
- Send your child in with spare clothes, wellies and shoes.
- Encourage them not to bring toys from home to Nursery
- **Can you return any nursery clothes that your child has borrowed**
- Ask the staff if you are missing any of your child's things as we have lots of lost property
